DESCRIPTION OF FEATURES

Network and Membership Level Badge:

Display your digital Enneagram + Strengths Network badge on a website, social network, document, and email to show credibility and participation. Available in multiple colors and formats.

Monthly Network Training Event:

Attend the monthly training event for members only: webinars, instructional videos, Zoom meetups, and workshops. Live events will be recorded and posted for later viewing.

Monthly Downloadable Resource:

Download our monthly resource that will accompany the monthly training event. If the resource is made available to the public, it will be first made available to members.

Content Library:

Use our content library to build your business with your clients. Our Content Library includes: editable Enneagram results packets, Enneagram graphics and icons, and Strengths icons. ***Note:*** *Per Terms of Use, you must have a current Influencer subscription to use the Content Library.*

Network Community Platform:

Interact with other members on the private Network Community platform. Think of it as our own social network. Each member can post, interact with messages, and follow topics of interest.

Onboarding Call:

Meet for an initial onboarding call via phone or video to get oriented to the Network features.

Monthly Coaching Session:

Meet for a monthly coaching session via phone or video.

Monthly Mastermind Meetup Call:

Attend the monthly Meetup Call for Mastermind members only. Calls will be recorded via Zoom and posted for later viewing.
