1. Pray for the book

The most important thing you can do is to pray for the launch of the book. Here’s a prayer you could use (or pray your own):

Heavenly Father, there’s no greater person than your Son Jesus, and therefore there’s no greater task than helping others to know him. We thank you for how this book will help children around the world to know your Son Jesus better. We pray that this book will get into the hands of people you want it to.

Breathe your Holy Spirit on this book and multiply its impact. Use it to introduce children to Christ for the first time, to re-introduce children to Christ in a deeper way, and even cause parents and caregivers to know Christ too. Use this book to create a people who love ALL of Jesus with ALL of their hearts, so they walk with him ALL of their days.

Your word says your reign is made of people who are like little children. Help us to be like children of faith, wonder, and simplicity in Jesus. For yours is the Kingdom and the power and the glory forever. Amen.
